

CAMOS•UK OMNI-VUE™ 360°

THE ULTIMATE SAFETY SYSTEMS

Featuring drone-like views and utilising four 720p/WDR cameras, Omni-Vue™ 360° eliminates all blind spots.

The system is calibrated by our dedicated team, which means every installation is bespoke and tailored to customer requirements.

Omni-Vue™ 3D HD records footage straight to the system's 132GB internal memory. There is also a micro-SD card slot for expansion.

INSTALLATION AVAILABLE

Installation slots are available at our site in Yaxley, Peterborough. If you are interested in getting a quote, our friendly team will be happy to help.

REMOTE ACCESS

Omni-Vue™ systems can be utilised with a separate DVR (£594*) and connectivity pack (£149*) to allow for remote access.
